### **BACKGROUND:**

The City of Milpitas and the Milpitas Municipal Financing Authority (MMFA) have been participating in the State of California Local Agency Investment Fund (LAIF) since 1977. The LAIF is a voluntary investment alternative for California local governments and special districts, and is administered by the State Treasurer under Government Code 16429.1 et seq. All securities are purchased under the authority of Government Code 16403 and 16480.4. The LAIF offers local agencies the opportunity to participate in a pooled portfolio which invests billions of dollars, using the investment expertise of the State Treasurer's Office professional investment staff at no additional cost to the taxpayer. Multiple oversight boards and committees monitor the activities of LAIF and transactions are audited daily. The LAIF has grown from 293 participants and \$468 million in 1977 to 2,335 participants and \$19.5 billion at the end of November 2024. As a State of California managed investment pool, the LAIF is an allowed investment under the [City of Milpitas Investment Policy – Fiscal Year 2024-25](#), *Authorized Investments* (9), last adopted by City Council action at its September 17, 2024 meeting.

LAIF requires the governing body of local agencies adopt a resolution to authorize designated officers to manage deposits and withdrawals from their LAIF accounts. The [most recent update to the LAIF signature authority](#) occurred at a Joint Council Meeting on October 17, 2023, when the City of Milpitas City Council adopted Resolution Number 9277 and the Board of Directors of the Milpitas Municipal Financing Authority adopted MMFA Resolution Number 29, each designating the newly appointed City Manager and a then vacant Assistant City Manager position as authorized signatories, in accordance with LAIF guidelines.

### **ANALYSIS:**

Periodically it is necessary to update the City LAIF signatory resolutions. The updated resolutions identify the City Manager, the Assistant City Manager, the Finance Director, the Assistant Finance Director and the Budget Manager or their successors in office, as authorized to order the deposit or withdrawals of monies in the respective LAIF and execute any documents necessary or advisable to effectuate these transactions. in accordance with LAIF guidelines. By updating these two resolutions, all prior resolutions on file with LAIF will be superseded.

### **POLICY ALTERNATIVE(S):**

**Alternative:** Do not adopt a Resolution of the Milpitas City Council and a Resolution of the Milpitas Municipal Financing Authority Board Authorizing the Continued Investment of Monies in the Local Agency Investment Fund and Designating Officers Authorized to Sign on the Account.

Pros: None

Cons: The appropriate designated officers will not be authorized to sign on the respective LAIF accounts.

Reasons not recommended: Not updating City and the Public Finance Authority's account authorizations is inconsistent with LAIF guidelines.

**FISCAL IMPACT:**

There is no fiscal impact to this recommendation.

**CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA):**

The City Council adoption of the resolution is not a "project" under the California Environmental Quality Act (CEQA) pursuant to CEQA Guideline §15378(b)(5) because it is an administrative activity that will not result in a direct or indirect physical change in the environment.

**RECOMMENDATION:**

(1) Adopt a resolution of the Milpitas City Council to authorize the continued investment of monies in the Local Agency Investment Fund and designation of officers authorized to sign on the respective accounts; and  
2) Adopt a resolution of the Board of Directors of the Milpitas Municipal Financing Authority to approve continued investment of monies in the Local Agency Investment Fund and designation of officers authorized to sign on the respective accounts.

| <b>Recommendation:</b> | Approve and authorize the City Manager to execute a new 3-year agreement with SHI International Corp. for Office 365 cloud services in the amount of \$181,715.05 annually for base services, totaling to \$545,145.15; and authorize 10% contingency in the amount of \$54,514.52 over the total contract term with not-to-exceed total contract amount of \$599,659.67. |

### **BACKGROUND:**

On February 1, 2022, the City Council approved renewing the existing 3-year agreement for Microsoft Office 365 Cloud Services through an authorized Microsoft reseller under the County of Riverside's competitively procured contract. This agreement, with an annual not-to-exceed amount of \$162,533 and a total contract amount of \$487,599, is set to expire on February 28, 2025.

Office 365 is a suite of industry-standard productivity tools critical to City operations. It includes Word, Excel, PowerPoint, and security products essential for authenticating City users within various technology systems. Office 365 Cloud Services also include cloud storage access, email, online collaboration, and virtual meeting capabilities essential to City operations and the delivery of services to the community. Since the City transitioned to Office 365 in 2019 as part of its modernization efforts, the platform has been proven indispensable as the City successfully navigated through the COVID-19 pandemic and continues to provide advanced and modern productivity and communication tools to the City workforce.

### **ANALYSIS:**

The City transition to the Office 365 Cloud Services platform has provided City workers with essential tools for collaboration, communication, and security. This service continues to allow the City to quickly adopt modern and continuously evolving productivity tools in the market. The new Office 365 Cloud Services contract seeks to maintain current capabilities and support future growth.

The new contract includes several key adjustments made during the prior contract term to meet additional demands. In addition to increasing the number of licenses for the Intune MDM (Mobile Device Management) solution, which allows efficient and secure remote management of a growing number of mobile devices used by City staff, the adjustments also included new Microsoft 365 F3 licenses and additional Entra ID P1 licenses. Microsoft 365 F3 is a cost-effective solution for employees with basic collaboration needs who do not require the full Office 365 suite, and Entra ID P1 licenses are required for identity and security management. Additionally, the new contract also reflects a 15.4% price increase for the Office 365 G3 licenses.

For the upcoming renewal, staff evaluated alternative licensing options and determined that bundled licensing is the most cost-effective approach, resulting in an annual savings of approximately \$10,170.

The current contract was established through a cooperative purchasing agreement under the County of Riverside Microsoft Master Agreement No. 8084445, which expired on October 31, 2024. On September 10, 2024, the County of Riverside amended and extended this cooperative purchasing agreement through October 31, 2027, with the option to renew for three (3) additional years through October 31, 2030, and awarded seven (7) vendors under RFQ ITARC-00532.

Staff evaluated quotes from the three lowest-cost vendors under the new County of Riverside Contract and identified SHI International Corp. as the most cost-effective option.

| # | Licensed Support Provider   | Annual Cost  |
|---|-----------------------------|--------------|
| 1 | SHI International Corp      | \$181,715.05 |
| 2 | Insight Public Sector, Inc. | \$182,869.20 |
| 3 | Zones LLC                   | \$183,310.20 |

Consistent with Section I-2-3.05 of the Municipal Code, which authorizes the Purchasing Agent to make purchases based upon an agreement or cooperative purchasing program entered into by another public agency, the Purchasing Agent has reviewed all the documentation from Riverside Microsoft Master Agreement and has determined the underlying agreement or program was made utilizing competitive negotiation or procurement procedures at least as restrictive as the City's, and the price quoted is the same as offered in the original contract.

Over the course of the renewal term, there may be unanticipated minor licensing needs and the need to evaluate additional features that may be beneficial to the City. The 10% contingency will allow the staff to continue to provide uninterrupted services as the ongoing needs increase.

#### **POLICY ALTERNATIVE(S):**

##### **Alternative 1: Do not approve the agreement renewal**

Pros: None

Cons: Loss of critical communication and collaboration tools essential for City operation, including email and virtual meeting services and access to essential Office tools such as Word, Excel, and PowerPoint.

Reason for Not Recommending: Not proceeding with this renewal would severely impact City operations and service delivery.

#### **FISCAL IMPACT:**

The current IT Operating budget includes \$167,000 annually for this service. The funding required for the renewal including contingency is \$199,888 per year. There are sufficient funds in the overall FY 2024-2025 IT operating budget to cover the increase of \$32,888. Future contract expenses will be integrated into the IT operating budgets during the respective annual budget cycle.

#### **CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA):**

This action does not qualify as a "project" under CEQA Guidelines Section 15378, as it will not result in direct or reasonably foreseeable indirect physical changes to the environment.

#### **RECOMMENDATION:**

Approve and authorize the City Manager to execute a new 3-year agreement with SHI International Corp. for Office 365 cloud services in the amount of \$181,715.05 annually for base services, totaling to \$545,145.15; and authorize 10% contingency in the amount of \$54,514.52 over the total contract term with not-to-exceed total contract amount of \$599,659.67.

| <b>Recommendation:</b> | (1) Receive an update on the security improvements at the McCarthy Ranch Sewer Lift Station; and (2) Determine that the condition continues to constitute an emergency.                                                                                   |

### **BACKGROUND:**

Pursuant to Public Contract Code section 22050 and the attached Council Resolution No. 9134, the Director of Public Works, in the case of emergency, may authorize a repair of a public facility and procure the work without giving notice for bids. An emergency is defined as “a sudden, unexpected occurrence that poses a clear and imminent danger, requiring immediate action to prevent or mitigate the loss or impairment of life, health, property, or essential public services.” Additionally, State law requires the Public Works Director, as the City official with delegated authority to take emergency action, to report any emergency authorization and the reason(s) for the authorization to the City Council not later than seven days after the action, or at its next regularly scheduled meeting if that meeting will occur not later than 14 days after the action. Further, the Public Works Director is required to report why the emergency would not permit a delay resulting from a competitive solicitation for bids and the City Council is required to review the emergency action at every regularly scheduled meeting thereafter until the emergency repair is completed. The City Council shall continue to review the emergency action at every regularly scheduled meeting thereafter until the action is terminated. At each review, the City Council shall determine, by a four-fifths vote, whether there is a need to continue the action.

Consistent with applicable State law and Council Resolution, on July 30, 2024, the Public Works Director declared an emergency and authorized the City to contract with Trofholz Technologies and Diamond Fencing to implement various security and access control improvements to the McCarthy Ranch Sewer Lift Station (Main Lift). Further, within the required timeframe the Public Works Director informed the City Council via [Information Memorandum](#) on July 31, 2024, regarding the emergency authorization, the reasons for the authorization, and the cost for repair in a not to exceed amount of \$700,000.

### **PROJECT/STATUS UPDATE:**

The installation of security enhancements by Trofholz Technologies, Inc. has been completed and the project has now transitioned to the second phase.

Diamond Fence Co., Inc. will demolish and properly dispose of the existing fence, and install approximately 1,760 linear feet of new, code-compliant fencing using ClearVU reinforced panels topped with ribbon wire, integrated into the current gate structure. Materials have arrived and fence installation began on December 23, 2024. The estimated project completion date is now anticipated in February 2025.

### **FISCAL IMPACT:**

Funding for these repairs is available in the City's Capital Improvement Program (CIP) budget. CIP Project 6124 – Sewer Pump Station Rehabilitation Project will fund the installation of security cameras, card readers,

and motion sensors. The funding source of this CIP project is Sewer Infrastructure Fund. The available balance as of 01/07/2025 is \$1,277,987.

CIP 6130 – Main Lift Odor Emission Control Project will fund the removal and replacement of the perimeter fencing. The funding source of this CIP Project are Sewer Infrastructure Fund, and Sewer Treatment Fund. The available balance as of 01/07/2025 is \$14,852.

**CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA):**

The emergency repair work is exempt from CEQA, per CEQA Guidelines Section 15301, Existing Facilities and 15302, Replacement or Reconstruction.

**RECOMMENDATION:**

1. Receive an update on the security improvements at the McCarthy Ranch Sewer Lift Station.
2. Determine that the condition continues to constitute an emergency.

**ATTACHMENT(S):**

None.

**ANALYSIS:**

The City of Milpitas annually flies City Event Celebration Flags and/or other Commemorative Flags for various Recreation and Community Services events in connection with and during periods (up to 30 days) in the Cesar Chavez Plaza. After receiving community feedback on the schedule of flags, staff is bringing forward for Council consideration an amendment to Resolution 9309 to add a Flag Raising for Women's History Month and direct staff to fly the Commemorative Flag on March 1 – March 31 of each year.

Staff is recommending updating the flag schedule as follows:

| <b>Flag Raising</b>                                | <b>Dates Flag Flown</b>  | <b>Council Approval Date</b> |

| Filipino American History Month                    | October 1- October 31    | September 7, 2021            |
| Native American Heritage and Culture Month         | November 1- November 30  | September 7, 2021            |

From time to time, regionally and/or nationally celebrated days, weeks or months associated with date(s) that are culturally significant at times overlap with the approved raising of other Commemorative Flags. As outlined in the City's Municipal Code Section I-600-2.30(3).ii. commemorative flags may be flown "...in lieu of the flag of the State of California..." which is on one flagpole. During such instances, multiple Commemorative Flags, but no more than three flags, may be raised on a flagpole from the top to the bottom in chronological descending order for the periods as approved by Council.

**FISCAL IMPACT:**

None.

**California Environmental Quality Act (CEQA):**

The action has no potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment and is not a project pursuant to Pub. Resources Code, § 21065 and Cal. Code Regs., tit. 14, § 15378.

**RECOMMENDATION:**

Adopt a resolution to supersede Resolution No. 9309 to update the City Event Celebration Flags and/or other Commemorative Flags at Cesar Chavez Plaza.

## **RESOLUTION NO. XXXX**

### **A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MILPITAS DIRECTING STAFF TO FLY COMMEMORATIVE FLAGS AT CESAR CHAVEZ PLAZA FOR CITY-SPONSORED EVENTS**

**WHEREAS**, on December 18, 2018, the City Council of the City of Milpitas ("City Council") adopted Ordinance No. 260.2 relating to the display of flags on City-owned property; and

**WHEREAS**, on March 19, 2024, the City Council adopted Resolution No. 9309 relating to the display of flags on City-owned property; and

**WHEREAS**, the City Council intends this resolution to supersede Resolution No. 9309 relating to the display of flags on City-owned property; and

**WHEREAS**, pursuant to Milpitas Municipal Code Section I-600-2.30(3), the City Council may, by resolution, direct City staff to display Commemorative Flags as an expression of the City's official sentiments by any of the following means: (i) display in lieu of the MIA/POW flag on one of the four City Hall Display Flag Poles located at the rear of City Hall adjacent to the pond, (ii) display in lieu of the flag of the State of California on one of the three flag poles located at Cesar Chavez Plaza, or (iii) display through ground level ceremonies at any of the following locations at the Civic Center complex or the City of Milpitas Community Center:

- (1) City Hall Rotunda
- (2) Area adjacent to pond at City Hall
- (3) Cesar Chavez Plaza
- (4) City Council Chambers; and

**WHEREAS**, the City of Milpitas sponsors commemorative events, ceremonies, and holidays annually in Cesar Chavez Plaza; and

**WHEREAS**, the City intends to fly certain Commemorative Flags in Cesar Chavez Plaza as part of the sponsored events, ceremonies, and holidays, for certain periods; and

**WHEREAS**, in accordance with the Milpitas Municipal Code, the Commemorative Flags shall be displayed for a period that is reasonable or customary for the subject that is to be commemorated, but no longer than 30 days; and

**WHEREAS**, the periods of Commemorative Flags as approved by this Resolution may occur concurrently; and

**WHEREAS**, during such instance, multiple Commemorative Flags, but no more than three flags, may be raised on a flagpole from the top to the bottom in chronological descending order for the period approved in this Resolution.

**NOW, THEREFORE**, the City Council of the City of Milpitas hereby finds, determines, and resolves as follows:

1. The City Council has considered the full record before it, which may include but is not limited to such things as the staff report, testimony by staff and the public, and other materials and evidence submitted or provided to it. Furthermore, the recitals set forth above are found to be true and correct and are incorporated herein by reference.
2. Pursuant to Milpitas Municipal Code Section I-600-2.30(3), the City Council hereby directs staff to fly the

following Commemorative Flags in lieu of the flag of the State of California at Cesar Chavez Plaza on the following dates and date ranges, after which staff shall resume flying the flag of the State of California unless the City Council directs otherwise by further resolution:

- Black History Month - February 1 - 28
  - Women's History Month – March 1 – March 31
  - Cesar Chavez Birthday - March 31

| <b>Recommendation:</b> | Receive a report on results of the 2025 Citywide Community Engagement Survey.                                                                                                                             |

### **BACKGROUND:**

A 2025 Citywide Community Engagement Survey was conducted by Fairbank, Maslin, Maulin, Metz & Associates (FM3) from December 12 to 30, 2024. FM3 is a California-based company that has been conducting public policy-oriented opinion research since 1981. FM3 has worked with hundreds of local government agencies in research and strategic services. For the past five years, FM3 has been assisting the City with gathering public opinion and feedback from Milpitas residents. City Council and staff use the survey results to inform strategic funding decisions associated with the annual collaborative budget prioritization process. The outcome of the collaborative budget prioritization process affects all City programs and services that in turn, directly affect the daily lives of everyone in Milpitas.

### **ANALYSIS:**

To conduct a community satisfaction survey with a representative sample of adult residents, FM3 conducted a dual-mode (online and telephone) survey using an address-based sampling approach and US Census-derived demographic quotas. The survey was conducted from December 12 to 30, 2024, and was available in English, Chinese, Spanish, and Vietnamese. Residential addresses were selected at random across the City and matched to public and commercial contact information. Postcards, emails, and text messages were sent in an initial wave of contacts inviting residents to take the survey online. Subsequent telephone interviews were conducted to help balance the sample to reflect the overall adult population and demographic quotas. With 647 completed interviews, the margin of sampling error for the findings is  $\pm 4.0\%$  at the 95% confidence level. Because of the strong response from the community, FM3 was able to provide statistically sound and fully representative results from residents, clearly demonstrating that the community is eager to provide their feedback to the City Council and City administration, and have a very strong favorable sentiment towards Milpitas and the services offered.

Representatives from FM3 will formally present the results to the City Council during the Council meeting. Topline results reveal that residents continue to like living in Milpitas, feeling it is a safe community and welcoming of various cultures. Other notable findings include:

- 86% are satisfied with the overall quality of life in Milpitas
- 78% are satisfied with overall City services
- Solid majorities of residents continue to feel that City government is doing a good job, including its management of tax dollars, and planning for the future.
- Cost of living issues are top-of-mind, especially the cost of housing and inflation.
- Fewer also feel violent and property crime are increasing than they did two years ago.

The online and telephone survey is just one tool being used to facilitate preparation of the Fiscal Year 2025-26 annual city budget. In addition to this survey, there will be community meetings for the public, business community, external agencies with Milpitas stakeholders, and non-profit and volunteer agencies as well as an Open Townhall online community survey. The intent is to provide the Council with a collective representation of

information for consideration as priorities and goals are identified, and to effectively prepare the budget for Council's consideration over the next several months. Further, it is the intent to budget and plan future community surveys to continually have current, statistically valid public opinion polling completed on a regular basis for Council's consideration.

**FISCAL IMPACT:**

There is no fiscal impact associated with receiving the report on the survey results. However, as noted above, findings from the survey may inform budget actions in the proposed FY 2025-26 budget.
