Table 93: Q17a. Please consider the following ways the City of Milpitas may provide information to local residents. For each one, please indicate whether you would definitely pay attention, maybe pay attention, or definitely not pay attention to the information about the City if it were presented to you in that way. : A Facebook post

| <b>Meeting Date:</b>   | 1/21/2025                                                                                                                                                        |
| <b>Recommendation:</b> | Provide feedback and direction to the City Administration regarding potential increases to the monthly and annual salaries of the Mayor and City Councilmembers. |

### **BACKGROUND:**

On July 10, 2010, the City Council voluntarily voted to reduce the salary of City Councilmembers and the Mayor by approximately 6% due to the economic downturn and scarcity of municipal revenues. On March 8, 2012, the City Council voluntarily voted to further reduce the salary and car allowance of City Councilmembers and the Mayor such that a total 10% reduction took effect beginning December 2012. On December 2, 2014, the Milpitas City Council approved a restoration/increase of City Council salaries to the current amount as further described in this report.

Chapter 14 of Title 1 of the City of Milpitas Municipal Code (Attachment 1) outlines the salaries for the Milpitas Mayor and City Council. Specifically, it indicates that each member of the City Council shall receive the following:

- City Council members shall receive as salary \$904.37 per month (\$10,852.44 per year).
- The Mayor shall receive as salary \$1,130.75 per month (\$13,569 per year).

Additionally, the Municipal Code provides for potential increases or decreases as follows:

- Following any new and later estimate of population made by the State of California Department of Finance, the salary payable to each member of the Council may be increased or decreased by resolution of the City Council to equal the sum prescribed for that population group in Section 36516 of the Government Code as amended;
- An amount equal to five percent for each calendar year from the operative date of the last adjustment of the salaries in effect, in accordance with Government Code Section 36516(c) and as approved by City Council Resolution;
- In accordance with Government Code Section 36516(b), by a majority of the electors voting at any municipal election.
- The salaries as so increased or decreased shall become payable only on and after the date upon which one or more members of the Council becomes eligible upon beginning a new term of office following a general municipal election held in the City.

California Government Code section 36516 (Attachment 2), which outlines allowable salaries for non-charter cities such as Milpitas, was amended effective January 1, 2024. The Analysis section below provides information regarding options for the City Council to consider based upon the updated government code.

### **ANALYSIS:**

The State of California Legislature amended California Government Code section 36516 effective January 1, 2024. Specific amendments that would be applicable to the salary payable to the Milpitas Mayor and City Council are as follows:

1. In Cities between 75,000 and 150,000 in population, a City Councilmember may receive a salary of \$1,900 per month (\$22,800 per year) or;
2. The salary may be increased by the greater of: (1) 5% per year; or (2) An amount equal to inflation, based on the California Consumer Price Index, since January 1, 2024, which shall not exceed 10% for each calendar year.

The below table provides the parameters for which Council could change their salaries in alignment with California Government Code:

|                | <b>Current Salary</b>              | <b>Option 1 – Total<br/>(Population Based<br/>per year)</b> | <b>Option 2 – Total<br/>(Consumer Price Index<br/>Based per year)*</b> |
|----------------|------------------------------------|-------------------------------------------------------------|------------------------------------------------------------------------|
| Mayor          | \$1,130.75/month<br>\$13,569/year  | \$1,900/month<br>\$22,800/year                              | \$1,187.29/month<br>\$14,247.45/year                                   |
| Councilmembers | \$904.37/month<br>\$10,852.44/year | \$1,900/month<br>\$22,800/year                              | \$949.59/month<br>\$11,395.06/year                                     |

\*The most recent California Consumer Price Index from January 2024 to October 2024 is an average of 3.1%. As this is less than 5%, the 5% potential increase is being used for Option 2.

Based upon the above, the Mayor and City Council could choose to increase their salaries to as much as \$22,800 per year which would have a cumulative impact of salary and related benefits cost of total \$74,240 annually to the City's General Fund. However, a lesser amount would also be allowed per the Government Code. Additionally:

1. Per Government Code section 36516.1, the City Council by ordinance, or the electorate by majority vote, may provide an elected Mayor with additional compensation above and beyond an elected Mayor's salary as a member of the City Council. There is no specific limit in the Government Code in regard to this additional compensation. Furthermore, this additional compensation may be provided immediately, including during a mayor's current term. This additional compensation is for performing mayoral duties, not duties otherwise required as a member of the City Council.
2. Per Government Code section 36516.5, any changes to the base salary for the City Council would not take effect until after the next municipal election when one or more members of the City Council begin a new term of office. So, for example, if a change was made in March 2025, it would not take effect until a new term of office begins after the November 2026 municipal election.

Additionally, staff reviewed the annual salaries of City Councilmembers for the other cities within Santa Clara County. The table is divided between non-charter cities and charter cities as charter cities do not need to follow the California Government Code.

The following table provides the summary of this analysis:

| <b>City</b>                 | <b>Population*</b> | <b>2025 Mayor Annual Salary</b> | <b>2025 Councilmember Annual Salary</b> |
|-----------------------------|--------------------|---------------------------------|-----------------------------------------|
| <b>Non Chartered Cities</b> |                    |                                 |                                         |
| Campbell                    | 41,700             | \$15,300                        | \$15,300                                |
| Cupertino                   | 57,285             | \$8,917                         | \$8,917                                 |
| Los Altos                   | 8,189              | \$11,400                        | \$11,400                                |
| Los Gatos                   | 32,216             | \$6,840                         | \$6,840                                 |
| Milpitas                    | 77,321             | \$13,569                        | \$10,852.44                             |
| Monte Sereno                | 3,479              | \$0**                           | \$0**                                   |
| Morgan Hill                 | 44,478             | \$40,764                        | \$15,300                                |
| Saratoga                    | 29,607             | \$3,000                         | \$3,000                                 |
| <b>Charter Cities</b>       |                    |                                 |                                         |
| Gilroy                      | 58,250             | \$18,383                        | \$12,260                                |
| Mountain View               | 81,785             | \$18,649.44                     | \$14,918.64                             |
| Palo Alto                   | 65,882             | \$12,000                        | \$12,000                                |
| San José                    | 969,655            | \$225,000                       | \$169,000                               |
| Santa Clara                 | 131,062            | \$30,000                        | \$24,000                                |

|           |         |             |             |
|-----------|---------|-------------|-------------|
| Sunnyvale | 151,967 | \$49,822.07 | \$27,366.51 |
|-----------|---------|-------------|-------------|

\*Population data is from census.gov. Monte Sereno data is from 2020, remaining cities as of 2023.

\*\* Government Code section 36516 allows any councilmember to waive compensation, and that is what the City Council for Monte Sereno has chosen.

Through this agenda report, staff is requesting City Council feedback regarding the following:

- Do the Mayor and City Council wish staff to prepare a draft ordinance proposing an increase in salary for the Mayor and City Councilmembers? If so, what specific amount is being considered?

**FISCAL IMPACT:**

The total annual ongoing impact to the General Fund if the salaries for the Mayor and City Council were increased to the maximum of \$22,800 per year, would equate to a total of \$74,240 increase in salary and ancillary benefits. However, the Mayor and City Council could also choose a smaller increase which would have a lower ongoing impact to the General Fund.

**CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA):**

The action has no potential for resulting in either a direct physical change in the environment or a reasonably foreseeable indirect physical change in the environment and is not a project pursuant to Pub. Resources Code, §21065 and Cal. Code Regs., tit. 14, §15378. This action is organizational, administrative, or fiscal activity of the City government that does not require commitment to any specific project that may result in a potentially significant impact on the environment and therefore is not a project pursuant to Cal. Code of Regs., tit. 14, § 15378.

**RECOMMENDATION:**

Provide feedback and direction to the City Administration regarding potential increases to the monthly and annual salaries of the Mayor and City Councilmembers.

**ATTACHMENT(S):**

(a) Milpitas Municipal Code Title 1, Chapter 14

(b) California Government Code 36516

## **Attachment 1 – Title 1, Chapter 14 of Milpitas Municipal Code**

### **I-14-1.00 - Purpose**

The Ordinance codified in this chapter is enacted pursuant to Section 36516 of the Government Code, as amended, authorizing the Council to provide by ordinance that each member of the Council shall receive a prescribed salary, the amount of which is based upon the population of the City as determined by estimates made by the State Department of Finance, and prescribing the methods by which Council salaries may be increased or decreased in the future.

Government Code Section 36516.1 authorizes additional compensation for a Mayor elected pursuant to Section 34900 et. seq. as may be approved by an ordinance adopted by the City Council.

(Ord. 128.10 (part), 8/1/00)

### **I-14-2.00 - Salaries**

Each member of the City Council shall receive as salary the following:

- A. City Council members shall receive the sum of \$904.37 dollars per month.
- B. The Mayor of the City of Milpitas shall receive the sum of \$1,130.75 dollars per month.

(Ord. No. 128.12, § 2, 12/16/14; Ord. 128.11, 3/5/02; Ord. 128.10 (part), 8/1/00)

### **I-14-3.00 - Increase or Decrease in Salary**

The salaries provided in this Chapter may be increased or decreased as follows:

- A. Following any new and later estimate of population made by the Department of Finance, the salary payable to each member of the Council may be increased or decreased by resolution of the City Council to equal the sum prescribed for that population group in Section 36516 of the Government Code as amended.
- B. An amount equal to five percent for each calendar year from the operative date of the last adjustment of the salaries in effect, in accordance with Government Code Section 36516(c) and as approved by City Council resolution.
- C. In accordance with Government Code Section 36516(b), by a majority of the electors voting at any municipal election.
- D. The salaries as so increased or decreased shall become payable only on and after the date upon which one or more members of the Council becomes eligible upon beginning a new term of office following a general municipal election held in the City.

(Ord. 128.10 (part), 8/1/00)

### **I-14-4.00 - Reimbursement**

The salaries prescribed herein are and shall be exclusive of any amounts payable to each member of the Council as reimbursement for actual and necessary expenses incurred by him in the performance of official duties for the City of Milpitas.

(Ord. 128.10 (part), 8/1/00)

#### **TITLE 4. GOVERNMENT OF CITIES [34000 - 45345]**

*( Title 4 added by Stats. 1949, Ch. 79. )*

#### **DIVISION 3. OFFICERS [36501 - 41805]**

*( Division 3 added by Stats. 1949, Ch. 79. )*

#### **PART 1. GENERAL [36501 - 36525]**

*( Part 1 added by Stats. 1949, Ch. 79. )*

### **36516.**

(a) (1) A city council may enact an ordinance providing that each member of the city council shall receive a salary based on the population of the city as set forth in paragraph (2).

(2) The salaries approved by ordinance under paragraph (1) shall be as follows:

(A) In cities up to and including 35,000 in population, up to and including nine hundred fifty dollars (\$950) per month.

(B) In cities over 35,000 up to and including 50,000 in population, up to and including one thousand two hundred seventy-five dollars (\$1,275) per month.

(C) In cities over 50,000 up to and including 75,000 in population, up to and including one thousand six hundred dollars (\$1,600) per month.

(D) In cities over 75,000 up to and including 150,000 in population, up to and including one thousand nine hundred dollars (\$1,900) per month.

(E) In cities over 150,000 up to and including 250,000 in population, up to and including two thousand five hundred fifty dollars (\$2,550) per month.

(F) In cities over 250,000 population, up to and including three thousand two hundred dollars (\$3,200) per month.

(3) For the purposes of this subdivision, the population of a city shall be determined by the last preceding federal census, or a subsequent census, or estimate validated by the Department of Finance.

(4) The salary of council members may be increased beyond the amount provided in this subdivision by an ordinance or by an amendment to an ordinance, but the amount of the increase shall not exceed the greater of either of the following:

(A) An amount equal to 5 percent for each calendar year from the operative date of the last adjustment of the salary in effect when the ordinance or amendment is enacted.

(B) An amount equal to inflation since January 1, 2024, based upon the California Consumer Price Index, which shall not exceed 10 percent for each calendar year.

(5) No ordinance shall be enacted or amended to provide automatic future increases in salary.

(b) Notwithstanding subdivision (a), at any municipal election, the question of whether city council members shall receive a salary for services, and the amount of that salary, may be submitted to the electors. If a majority of the electors voting at the election favor it, all of the council members shall receive the salary specified in the election call. The salary of council members may be increased beyond the amount provided in this section or decreased below the amount in the same manner.

(c) Unless specifically authorized by another statute, a city council may not enact an ordinance providing for compensation to city council members in excess of that authorized by the procedures described in subdivisions (a) and (b). For the purposes of this section, compensation includes payment for service by a city council member on a commission, committee, board, authority, or similar body on which the city council member serves. If the other statute that authorizes the compensation does not specify the amount of compensation, the maximum amount shall be one hundred fifty dollars (\$150) per month for each commission, committee, board, authority, or similar body.

(d) Any amounts paid by a city for retirement, health and welfare, and federal social security benefits shall not be included for purposes of determining salary under this section, provided that the same benefits are available and paid by the city for its employees.

(e) Any amounts paid by a city to reimburse a council member for actual and necessary expenses pursuant to Section 36514.5 shall not be included for purposes of determining salary pursuant to this section.

(f) A city council member may waive any or all of the compensation permitted by this section.

(g) (1) For the purposes of this section, a city council shall consider the adoption of an ordinance to increase compensation in open session during at least two regular meetings of the city council.

(2) At the first meeting, the city council shall present the proposed ordinance, which shall include findings demonstrating the need for the increased compensation. The ordinance shall not be adopted at the first meeting.

(3) At least seven days after the first meeting, the city council shall hold a second meeting to consider whether to adopt the ordinance.

*(Amended by Stats. 2023, Ch. 27, Sec. 2. (SB 329) Effective January 1, 2024.)*

For the purposes of this section, compensation includes payment for service by a city council member on a commission, committee, board, authority, or similar body on which the city council member serves. If the other statute that authorizes the compensation does not specify the amount of compensation, the maximum amount shall be one hundred fifty dollars (\$150) per month for each commission, committee, board, authority, or similar body.

(d) Any amounts paid by a city for retirement, health and welfare, and federal social security benefits shall not be included for purposes of determining salary under this section, provided that the same benefits are available and paid by the city for its employees.

(e) Any amounts paid by a city to reimburse a council member for actual and necessary expenses pursuant to Section 36514.5 shall not be included for purposes of determining salary pursuant to this section.

(f) A city council member may waive any or all of the compensation permitted by this section.

(g) (1) For the purposes of this section, a city council shall consider the adoption of an ordinance to increase compensation in open session during at least two regular meetings of the city council.

(2) At the first meeting, the city council shall present the proposed ordinance, which shall include findings demonstrating the need for the increased compensation. The ordinance shall not be adopted at the first meeting.

(3) At least seven days after the first meeting, the city council shall hold a second meeting to consider whether to adopt the ordinance.

*(Amended by Stats. 2023, Ch. 27, Sec. 2. (SB 329) Effective January 1, 2024.)*

### **36516.1.**

A mayor elected pursuant to Sections 34900 to 34904, inclusive, may be provided with compensation in addition to that which he or she receives as a council member. That additional

compensation may be provided by an ordinance adopted by the city council or by a majority vote of the electors voting on the proposition at a municipal election.

*(Amended by Stats. 2010, Ch. 699, Sec. 14. (SB 894) Effective January 1, 2011.)*

**36516.5.**

A change in compensation does not apply to a council member during the council member's term of office. This prohibition shall not prevent the adjustment of the compensation of all members of a council serving staggered terms whenever one or more members of the city council becomes eligible for a salary increase by virtue of the council member beginning a new term of office.

- *(Amended by Stats. 2010, Ch. 699, Sec. 15. (SB 894) Effective January 1, 2011.)*

## CITY OF MILPITAS AGENDA REPORT (AR)

|                        |                                                                                                                                                                                                                                                                                                                                                                                                                                                       |

| <b>Meeting Date:</b>   | 1/21/2025                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| <b>Recommendation:</b> | (1) Review list of agenda item requests from individual Councilmembers and provide direction to staff, through the prioritization process, on which Group 1 items should be advanced; (2) Remove two items sponsored by a former City Councilmember from the priority list; (3) Provide additional input to staff, if any, on Group 1 items that received Council direction to advance; and (4) By majority vote, approve the list as so prioritized. |

### **BACKGROUND:**

At City Council meetings, under the Announcements section, City Councilmembers may request items for the full Council to consider. These items are placed on a list for a future City Council discussion and action. On January 19, 2021, at a Special City Council meeting, Council provided direction to staff to streamline the process by presenting individual Council agenda item requests for prioritization to City Council on a quarterly basis.

On January 10, 2023, City Council approved a City Council Request Prioritization Policy which guides the prioritization process. As part of this approval, language was included in this Policy to remove items recommended by prior members of the City Council unless a current City Councilmember chose to sponsor the continuation of those items.

The last prioritization was held on September 17, 2024. Links to prior prioritization reports and minutes are included under Attachments.

### **ANALYSIS:**

The Council is now being asked to prioritize the list of potential new work items requested by Council between September 17, 2024, and January 7, 2025. Attachment 3 includes a status update on work completed by staff on all items previously prioritized by the Council.

As shown in Attachment 1, a total of 33 items, some which were considered during the prior prioritization discussion, have been grouped into four categories, differentiated by level of effort and status of the agenda request, as outlined below:

**Group 1** – Items that have not been initiated; will require more than four hours of staff time; and may require additional funding or resources (6 items).

**Group 2** – Items that have not been initiated but will require less than 4 hours of staff work (1 item).

**Group 3** – Items that are currently underway and/or already included in workplan (19 items).

**Group 4** – Items that have been completed, postponed indefinitely, or withdrawn (7 items).

### **Prioritization Process**

Similar to the prior prioritization process, the new Group 1 agenda item requests are detailed in Attachment 2. As these requests have not yet been discussed, staff has attempted to identify alignment with Council priority areas to the extent possible. As part of Attachment 2, staff provided a summary which

includes the lead and supporting departments, estimated resources and cost to complete the work, description of work effort, any actions taken to date, clarification or direction sought from City Council, and other additional considerations including impacts on other workplan items. To the extent possible, staff sought clarification from City Councilmembers sponsoring the request; however, some items may need additional clarification from the requesting Councilmember(s). To facilitate Council prioritization, Group 1 items have been further categorized into three sub-groups: Ordinances and Policies, Projects and Programs, and Miscellaneous.

For the Group 1 items, the total annual costs are estimated as follows:

| Item                                                     | Potential Ongoing Costs |            | Potential One Time Costs |            |
|----------------------------------------------------------|-------------------------|------------|--------------------------|------------|
|                                                          | Low Range               | High Range | Low Range                | High Range |
| CC01: Analysis of Permit Process                         | \$0                     | \$0        | \$10,000                 | \$120,000  |
| CC02: Job Fair for City Careers                          | \$3,300                 | \$5,500    | \$0                      | \$0        |
| CC03: Impact Fee for Car Transports                      | \$0                     | \$0        | \$0                      | \$0        |
| CC04: Explore Modernizing Business Tax Rate Schedule     | \$0                     | \$0        | \$264,000                | \$264,000  |
| CC05: Review of Traffic Conditions at Edsel & Roswell    | \$0                     | \$0        | \$10,000                 | \$10,000   |
| CC06: Pickleball Feasibility Study at Dixon Landing Park | \$0                     | \$0        | \$50,000                 | \$50,000   |

Since Group 2 items (see Attachment 1) require less than four hours of staff time, these items can be advanced without requiring a majority vote, Council may wish to provide additional input or direction on this item. For Group 3 items, which are underway and/or already included in staff workplans, staff provided an update in Attachment 1. A list of Items completed, postponed indefinitely, or withdrawn, are presented as a separate attachment (Attachment 3).

### **Voting Process**

In accordance with the adopted City Council Prioritization Policy, existing staff workload and the number of Group 1 items, staff proposes the Council prioritize no more than two items. The typical voting process for prioritization is summarized below.

#### Round 1

Each member of the Council will be asked to prioritize their top two items from Group 1. Councilmembers will receive paper copies to help them review and complete the preliminary prioritization, and electronic voting will be conducted.

All items receiving three or more votes will move forward. If the number of items receiving three or more votes is two or greater, the prioritization process will be deemed complete. If the number of items is less than two, the remaining items will be prioritized as described in Round 2.

#### Round 2

If items receiving three or more votes are less than two in number, Councilmembers will be asked to prioritize the remaining items to develop a top two list. Each member of the Council will be given the number of votes equivalent to two minus the number of items prioritized for staff work at the completion of Round 1. For example, if after Round 1, the Council agreed on advancing one item, one additional item will require prioritization. Therefore, each Member of the Council will be asked to vote on one item. Any item receiving

three or more votes will be added to the prioritized list. If the total number of items on the list is one or greater, the prioritization process will be deemed complete.

#### Additional Rounds, if needed

If the total number of prioritized items after Round 2 is less than two, all remaining items which received at least one vote will be prioritized through additional rounds of voting. Items which receive zero votes in a round will be eliminated from the subsequent round of voting.

Any items that do not advance through this multi-step prioritization process will be removed from the active list and need to be resubmitted through Announcements for the next prioritization discussion, tentatively scheduled for April 2025.

#### **Group 4 Items**

As discussed above, the following seven items have been moved to “Group 4” in this update as they have been completed or withdrawn:

- Completed:
  - *Recognize local 2024 Olympians with ties to Milpitas:* Recognition of the three 2024 Olympians with ties to Milpitas occurred at the October 15, 2024, City Council meeting.
  - *Communicate Need for Weeds to be Cleared on Montague Expressway to County:* City staff coordinated with the County Department of Roads & Airports and the County cleared the weeds on Montague Expressway.
  - *Have a picture of Albert Vogel Sr. put up in the Senior Center & Include Maria Lemery on the Mural in front of the Senior Center:* Portraits of Albert Vogel Sr. and Maria Lemery were installed in late December 2024.
  - *Look into defining either a standalone teen center or updating information to indicate the Senior Center also functions as a Teen Center:* Starting in June 2023, staff have been conducting outreach via survey, discussions, new, and one time programming, to the teen community on services, activities and events they would like to participate in/benefit from. The outreach revealed heavy interest in life skills classes, trips, and meet-ups.  
  
Starting in June 2024 staff launched a *Teen Center Everywhere* campaign and have successfully brought back sport drop-in programming to teen programs as well as a series of meet ups around Milpitas. Programming was successful, with many trips, classes, meet-ups and sports drop-in sessions at full capacity. The summer Milpitas Youth Force program, held out of the Teen Center and run by Teen Center staff, had one of their best sessions in the history of the program. Center programs, events, and workshops for the new school year included increased collaboration with high school clubs, a Halloween event, and financial aid workshops for college preparedness.
  - *Memorial Plaque in honor of youth skateboarder that passed away:* The memorial plaque was installed and a unveiling ceremony was held on November 2, 2024.
- Withdrawn:
  - *Charter City Evaluation:* Per City Council policy this item which was prioritized by a former City Councilmembers will be removed unless it is brought forward for consideration by an existing City Councilmember.
  - *Request that the Arts Commission explore alternatives for future of statue in front of City Hall:* Per City Council policy this item which was prioritized by a former City Councilmembers will be removed unless it is brought forward for consideration by an existing City Councilmember.

#### **POLICY ALTERNATIVES:**

Not applicable

**FISCAL IMPACT:**

For the Group 1 items, annual ongoing and one-time costs are summarized in the table in the analysis section of this report. Based on Council direction, staff will consider prioritized items that require new funding as part of a future budget process.

**CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA):**

This item is not a Project under CEQA in accordance with CEQA Guidelines Section 15061(b)(3) (Common Sense Exemption) as it can be seen with certainty that a general discussion of funding priorities by the City Council will not have a significant effect on the environment. Further, the item is also not a Project pursuant to CEQA Guidelines Section 15378(b)(4) as it is a government fiscal activity that does not involve any commitment to any specific project which may result in a potentially significant physical impact on the environment. Although the use of funding will be discussed, any project scope and potential environmental analysis would be speculative at this time, and future environmental analysis will be conducted for the potential projects prior to the City making any commitment or approval of any project.

**RECOMMENDATION:**

- (1) Review list of agenda item requests from individual Councilmembers and provide direction to staff, through the prioritization process, on which Group 1 items should be advanced;
- (2) Remove two items sponsored by a former City Councilmember from the priority list;
- (3) Provide additional input to staff, if any, on Group 1 items that received Council direction to advance; and;
- (4) By majority vote, approve the list as so prioritized.

| 6   | Feasibility Study for Night Market/Food Trucks on Main Street                                                                | Carmen Montano  | 5/7/2024       | No                                                  | City Manager's Office: Economic Development | Economic Development & Job Growth | In support of downtown revitalization efforts, Council directed staff to explore an event on Main Street with a Night Market. Economic Development staff researched and identified four companies producing the majority of the events in Silicon Valley. After talking with the four companies, staff determined that Moveable Feast could offer the best event for Milpitas' historic district. Moveable Feast attended the special EDTC meeting on August 12, 2024, contacted businesses with staff, researched site opportunities, and submitted a proposal. The proposal was based on Moveable Feast's years of experience and specific insights on what works best for Milpitas. The event will be Milpitas branded, creating a sense of place and activating Main Street. Staff recommends moving forward with funding for Moveable Feast to produce a 2-day Night Market on Main Street in Spring/Summer 2025. A lively Night Market with local food and craft vendors, along with live music and entertainment will create excitement. The event will bring new audiences into our downtown and get residents interested in coming back to Main Street. This event supports Economic Development's goal to revitalize the Main Street, attract new businesses and ensure businesses succeed, and create opportunities for placemaking. | Yes                                                                          |
| 7   | Explore increasing stipend for planning commission                                                                           | Gary Barbadillo | 4/16/2024      | Yes                                                 | Planning                                    | Neighborhoods & Housing           | This effort is underway. Staff is researching the Planning Commission stipend for comparable jurisdictions in the Bay Area. The next step is to complete this research and prepare a recommendation for the City Council's consideration in March 2025.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | Yes                                                                          |
| 8   | Escuela Parkway Traffic Safety Review                                                                                        | Carmen Montano  | 5/7/2024       | Yes                                                 | Public Works                                | Transportation & Transit          | Staff is currently soliciting proposals from qualified consultants to perform a traffic study along Escuela Parkway from Jacklin Road to Washington Street. The study is estimate to be up to \$80,000 and will be funded through CIP Project No. 4288 - Traffic Studies & Safety Improvements. The study's schedule is anticipated to run from spring of 2025 through the summer. In addition, the City was selected to recieved \$2.9M through the SS4A grant to enhance pedestrian and bicycle safety throughout the city's school zones including Escuela Parkway.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          | Yes                                                                          |
| 9   | Affordable Housing Ordinance Review                                                                                          | Carmen Montano  | 12/5/2023      | Yes                                                 | City Attorney's Office                      | Neighborhoods & Housing           | Staff is completing initial review of a full draft of the previously discussed guidelines for the City's AHO and anticipates being able to complete that review and brief Councilmembers about those proposed guidelines in March. Additionally, staff has begun review of various proposals for incentives or updates to the AHO that may assist the City in meeting its RHNA and other goals for affordable housing needs in its lowest income categories.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |                                                                              |
| 10  | Main Street Movie Night (formerly named International Festival)                                                              | Hon Lien        | 10/3/2023      | Yes                                                 | Recreation & Community Services             | Community Wellness & Open Space   | Staff are continuing internal discussions on the summer 2025 series, including possible collaboration with other efforts around Main Street Revitalization, and are doing site visits to determine the best location. Efforts over the next few months will be to identify the cultural movie(s) shows as part of this event.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |                                                                              |
| 11  | Recreation & Community Services Department to Review of potentially returning additional programs for Bingo and Senior Trips | Evelyn Chua     | 11/7/2023      | No                                                  | Recreation & Community Services             | Community Wellness & Open Space   | Trips returned to the Milpitas Senior Program lineup in December 2024. Staff will continue to incorporate trips as part of their regular work plan. The Bingo license application is complete and staff are working with the City Clerk's Office on submittal and public hearing scheduling.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |                                                                              |

| 12  | Look into possibility of Senior citywide discount from all Milpitas businesses.                         | Gary Barbadillo | 2/7/2023       | Yes                                                 | City Manager's Office                       | Community Wellness & Open Space   | FM3 has completed the survey of local businesses and have reviewed initial response results with staff in late 2024. Staff will return to council in early 2025 with policy analysis.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | Yes                                                                          |
| 13  | Look into implementing a workshop for small businesses on the bidding process for projects in the city. | Evelyn Chua     | 8/9/2022       | Yes                                                 | City Manager's Office: Economic Development | Economic Development & Job Growth | Staff is reviewing business license data to determine which local businesses the City should focus for procurement opportunities. Staff is also reviewing the City's last five years' expenditures on local businesses. After the purchasing division is fully staffed, the Doing Business with the City of Milpitas handbook and procurement webpage will be reviewed and updated.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |                                                                              |
| 14  | Pickleball Pilot Project                                                                                | Evelyn Chua     | 2/28/2023      | Yes                                                 | Recreation & Community Services             | Community Wellness & Open Space   | Site improvements were completed in mid November, including safety fencing, court resurfacing, and the installation of the sound dampening panels. Staff will be surveying court users and the surrounding neighborhood in mid January. Staff anticipated returning to City Council in late February/early March with final policy recommendations.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |                                                                              |
| 15  | Main Street Infrastructure Projects                                                                     | Carmen Montano  | 2/28/2023      | Yes                                                 | Public Works                                | Transportation & Transit          | Staff is anticipating to meet with Caltrans and the FHWA in January/February to discuss alternatives for the use of the \$750K in federal earmark funding for projects on Main Street as this amount falls short of the needed budget for the Streetlight Project.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |                                                                              |
| 16  | Main Street Flooding at Library                                                                         | Evelyn Chua     | 2/28/2023      | Yes                                                 | Public Works                                | Transportation & Transit          | Lowering of the weir wall was completed. Staff is also now in receipt of a memorandum completed by the engineering firm Schaaf & Wheeler who were the authors of the storm drain master plan. The memo addresses the flooding issue experienced on Main Street and makes preliminary recommendations to mitigate it. Among these recommendations are the following: 1) maintenance of Ford Creek 2) raise Main Street 3) improvements to Ford Creek 4) upstream storage enhancements 5) local storm drain pumps 6) extend Lower Penitencia storm drain system 7) modify operations to Wrigley-Ford storm pump station. Based on the assessment, several mitigation alternatives were recommended, the preferred (and most cost effective) being channel maintenance and local pump stations with creek monitoring. Staff has been working with the Regional Water Board to obtain a permit allowing for the dredging and vegetation management of Ford Creek for some time and will continue this effort. |                                                                              |
| 17  | Evaluate reopening the childcare center with a non-profit organization running the center               | Carmen Montano  | 2/1/2022       |                                                     | Recreation & Community Services             | Community Wellness & Open Space   | Staff are currently completing cost estimates for becoming a permissible childcare center at the Milpitas Community Center and Sal Cracolice Recreation Facility and are targeting sharing these estimates at the February 2025 CIP Budget study session.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | Yes                                                                          |

| 19  | Staff to look into mural Art on Great Mall Parkway on the VTA owned Light rail pillars                  | Carmen Montano  | 11/16/2021     |                                                     | Recreation & Community Services             | Community Wellness & Open Space   | In accordance with the City's Public Art Policy, a Public Arts Selection Committee has been established to identify artists and projects for the project that will install murals on two pillars supporting the VTA Light Rail Line at Great Mall Parkway and McCandless Drive/Fairlane Drive. The release of the project scope to qualified artists is currently on hold while new laws affecting the required certifications and licenses is updated. Current efforts between the arts community and cities associations are moving forward. This project is expected to be a \$30,000 commission.                                                                                                                                                                                                                                                                                                                                                                                                      |                                                                              |

| <b>Group 4 – items that have been completed, postponed indefinitely, or withdrawn since last City Council update</b> |                                                                                                                                                                               |                |                        |                                                     |                                 |                                 |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |                                                                              |
| 1                                                                                                                    | Communicate Need for Weeds to be Cleared on Montague Expressway to County (prior name as: Send letter to County Supervisor Otto Lee re: weeds on Montague) <b>(completed)</b> | Carmen Montano | 8/13/2024              |                                                     | City Manager's Office           | Community Wellness & Open Space | This is completed but will continue to be monitored. County staff was contacted and following this they cleared the weeds on Montague Expressway median islands within their jurisdiction.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |                                                                              |
| 2                                                                                                                    | Recognize local 2024 Olympians with ties to Milpitas <b>(completed)</b>                                                                                                       | Carmen Montano | 8/5/2024               |                                                     | City Manager's Office           | Governance & Administration     | This is completed. Recognition was provided at the October 15, 2024 City Council meeting.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |                                                                              |
| 3                                                                                                                    | Request that the Arts Commission explore alternatives for future of statue in front of City Hall <b>(to be removed - former City Councilmember)</b>                           | Anthony Phan   | 1/30/2024              |                                                     | Recreation & Community Services | Community Wellness & Open Space | Per City Council policy this item is being removed from consideration unless it is sponsored by an existing Councilmember. The Arts Commission discussed City Hall Public Art at their September 23 and November 25 meetings. The Commission focus for art ideas for City Hall, include possibilities for artwork on the wall above the main door to the west parking lot, either a mural, lightweight sculpture, or digital artwork projection. A piece(s) for the southside of City Hall was not discussed as a priority area.                                                                                                                                                                                                                                                                                                                                                                                                       | Additional funding likely needed pending further staff analysis.             |
| 4                                                                                                                    | Charter City Evaluation <b>(to be removed - former City Councilmember)</b>                                                                                                    | Anthony Phan   | 9/5/2023               |                                                     | City Manager's Office           | Governance & Administration     | Per City Council policy this item is being removed from consideration unless it is sponsored by an existing Councilmember.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | Additional funding likely needed pending further staff analysis.             |
| 5                                                                                                                    | Look into defining either a standalone teen center or updating information to indicate the Senior Center also functions as a Teen Center <b>(completed)</b>                   | Evelyn Chua    | 9/20/2022              |                                                     | Recreation & Community Services | Community Wellness & Open Space | Starting in June 2023 staff have been conducting outreach via survey, discussions, new, and one time programming, to the teen community on services, activities and events they would like to participate in/benefit from. Heavy interest in lifeskills classes, trips and meetups was received. Starting in June 2024 staff launched a Teen Center Everywhere campaign and have successfully brought back sport drop in programming to teen programs, as well as a series of meet ups around Milpitas. programming was successful, with many trips, classes, meet ups and sports drop-in sessions at full capacity. The summer MYF program, held out of the center and run by Teen Center staff, had one of their best sessions yet. Center programs, events and workshops for the new school year, included increased collaboration with high school clubs, a Halloween event, and financial aid workshops for college preparedness. |                                                                              |

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |                                                           | TBD depending on scope of work |
| Description of Required Work Effort                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |                                                           |                                |
| <p>At the November 19, 2024, City Council meeting, Councilmember Evelyn Chua requested that staff analyze the City’s permit process across development departments. The City Council unanimously agreed to add the item to the prioritization list.</p> <p>The City of Milpitas provides city planning, building, and permitting services to residential, business, and real estate development communities. These services are performed by the following departments: Planning; Building, Public Works (Engineering/Land Development), and Fire Prevention. In addition, the Office of Economic Development engages in business development, recruitment, and permit facilitation. These departments serve under the direction of the City Manager’s Office and are identified as the Community Development “Service Area” (CSA).</p> <p>On April 16, 2019, the City Council received a presentation on the evaluation of the development review process and associated cost of services from staff and Matrix Consulting Group. City executives identified a need for addressing various organizational and operational issues to best serve Milpitas. The purpose of the Matrix study was to assess organizational structure, staffing levels, service delivery, and user fees related to the development review, permitting, and inspection processes. This study was designed to provide an understanding of the organizational structure, and the efficiency and effectiveness of processes and operations, identify appropriate staffing levels, and analyze current fee structures and rates. A series of stakeholder meetings provided customers and staff the ability to share opinions on strengths and opportunities for improvements through a Strengths, Weaknesses, Opportunities, and Threats (SWOT) analysis. A comparative survey assessed development review activities between the City of Milpitas and other comparable jurisdictions in the Bay Area. The analysis resulted in recommendations for staffing, services, processes, and technology usage to streamline the services provided and to help the City meet its goals.</p> <p>Moving forward, staff is planning on continuing to enhance customer service for private development review and approval. This includes the replacement of the electronic system used to process permits,</p> |                                                           |                                |

**City Council Referral**  
(requires more than 4 hours of staff time)

referred to as the Land Management System (LMS). Additional items that could be included in this work include but are not limited to the following (potential costs are also included below):

- 1) Survey development review applicants on operational structure and efficiency and effectiveness. (no cost for staff survey, \$20,000 for outside statistically valid survey).
- 2) Conduct Customer Service training for staff (\$10,000 to \$20,000).
- 3) Hire a consultant to conduct a study on the current permit process (\$80,000).

**Status Update as of December 2024**

Community Development Service Area representatives have successfully implemented many of the Matrix study's recommendations. To name a few examples, the Planning Department established standard operating procedures for development review, created the award-winning Development Review Handbook and ADU Toolkit, and hired a Principal Planner in 2020. In addition to implementing the Matrix study's recommendations, the Planning Department is comprehensively updating the Zoning Ordinance to streamline the Planning permitting process by either allowing more uses by-right or lowering the level of approval required so that fewer types of projects require public hearings. The Comprehensive Zoning Ordinance Update also proposes to increase the development thresholds for certain permit types and create an administrative process for minor deviations from development standards. The ongoing Gateway-Main St. Specific Plan will also propose similar strategies to facilitate redevelopment within the Plan area.

The Building Department has filled all positions (3) Plan Check Engineers, Plan Checker, Plan Review Manager, Building Inspection Manager, (3) Building Inspectors, Administrative Analyst II recommended in the Matrix study except one Building Inspector. The Permit and Development Fee Summary has been updated as of July 2024 that provides a comprehensive list of fees from all departments for various types of permits and development projects. The Fire Prevention Division hired a Fire Protection Engineer and reviewed 896 Life Safety Plans for Building or Planning permits, with 99% (877) completed within the turnaround time.

The Office of Economic Development hired a Permit Navigator in May 2024 to facilitate improvements resulting in a more user-friendly permitting process. The Permit Navigator focuses on delivering projects and strengthening the overall development process to improve review schedules, ensure consistency, increase predictability, resolve issues across different departments/divisions, eliminate service gaps, and ensure a positive customer experience. The Permit Navigator has assisted development review departments with over 40 businesses by facilitating pre-application meetings, permit guidance, and site selection for expanding or relocating to Milpitas. This included both large and small businesses such as Amazon, Rivian, Supermicro Electronics, Tesla, Golfand, Duran Construction, Urban Air, Lantana, The Fields, and FootLax, to name a few, in partnership with representatives from Planning, Building, Public Works, and Fire Prevention.

## City Council Referral

(requires more than 4 hours of staff time)

Per the Economic Development Strategy, strategies to support small businesses include expediting and reducing the time and expense of permits/inspections for small businesses and addressing delays and challenges in permitting processes and requirements. Implementation Action 6.1. requires expediting and streamlining permitting processes for small businesses and Implementation Action 34.1. calls for implementing Matrix study recommendations to improve the development review process through interdepartmental coordination, enhanced technology tools, and other measures, including the express plan check process for tenant improvements.

### Council Clarification/Further Direction Requested

At this time if this item proceeds, staff would plan on proceeding with items 1 (survey) and 2 (training) below. However, staff could also include an additional consultant survey at the additional cost if directed by the Mayor and City Council.

- Survey development review applicants on operational structure and efficiency and effectiveness.
- Conduct Customer Service training for staff.
- Hire a consultant to conduct a study on the current permit process.

### Other Considerations

| Description of Required Work Effort                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |                                    |                                                                                          |  |
| <p>The City has about 30 open opportunities at any point in time, with about half of those posted at any point in time. There are a few different options to proceed with this initiative as follows:</p> <ol style="list-style-type: none"> <li>1) <u>HR Presence at Existing City Community Events</u> – if a primary goal is awareness of HR as hiring employer in Milpitas this can advance this goal. This would involve HR recruiters, in collaboration with City Departments, to identify opportunities in the community to set up a “tabling” event to engage with people about open opportunities as well as educate about the nature of our services and positions. HR did an event of this nature in June of 2024. Additionally, announcements on city job openings have been listed in the citywide newsletter to our residents. Staff would set a goal of tabling for three to five City events per year. This could be performed with existing staffing levels at no additional cost.</li> <li>2) <u>HR Participation in Existing job fairs in the City of Milpitas</u> – If the primary goal is to align specific recruitment needs to broader City events with potential applicant pools then this could advance this goal. This would involve HR recruiters and Department subject matter experts to collaborate with the business community, school district and others to identify existing events with specific applicant audiences where the City’s HR team can provide a table and market the City for existing employment opportunities. This could be performed with existing staff levels at no additional costs.</li> <li>3) <u>HR Create a Job Fair at City Hall (or another location) to recruit for City specific vacancies or impending opportunities:</u> This would entail holding a City specific job fair at City Hall or another appropriate location. As the City would be running this event, there would be costs associated with event marketing, setup and production, coordination with City department</li> </ol> |                                    |                                                                                          |  |

## City Council Referral

(requires more than 4 hours of staff time)

subject matter experts (e.g. attractive department tabling, give aways, etc.). It is expected that this would cost approximately \$3,000 to \$5,000 per event.

### Status Update

General market research that suggests that young people are unaware or uninterested in government as a career interest and yet local government, especially in Silicon Valley, have a long-term need to attract the next generation of employees to local government and in a smaller City like Milpitas this is even more challenging. HR staff have begun discussions with Office of Economic Development (OED) and are currently coordinating with Recreation and Community Services (RCS) to integrate HR into existing opportunities with the community to educate about working in the public sector. The focus of this, consistent with what is happening in other agencies, is to create or generate interest by K-12 and college students who would not consider a career in government. Additionally, the Police Department frequently attends public safety specific recruitment events to market our Police Department recruitment opportunities.

### Council Clarification/Further Direction Requested

If this priority item proceeds, staff would like clarification on whether the City Council is supportive of a primary focus of tabling at existing events within the City or if the City Council would prefer further exploration of the City hosting it's own specific job fair event.

### Other Considerations

None at this time.

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |                                    | None at this time |  |
| Description of Required Work Effort                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |                                    |                   |  |
| <p>The City of Milpitas has a large rail yard operated by Union Pacific Railroad on Hammond Street, just north of the Great Mall. This rail yard is used to transport cars to and from locations where they are produced and being sold. This leads to a number of car hauler trucks (also known as car carriers or car transporters) to use Milpitas Roadways such as Great Mall Parkway.</p> <p>At the November 19, 2024, City Council meeting, Mayor Carmen Montano requested that staff review options to determine if a fee could be charged to these car transporter trucks due to the impact that they cause to the roadway surface.</p> <p>In consultation with the City Attorney's Office, staff reviewed options such as a mitigation impact fee or an assessment district as well as various zoning and other regulatory changes. Unfortunately, these alternatives would not allow the City to charge the car transporter trucks directly for this heavier use of this road due to state and federal laws. Additionally, the City already has an impact fee for the Metro Specific Plan Area, which comprises a portion of the area through which these trucks travel.</p> <p>At this time, it does not appear that there is a viable mechanism to charge the truck haulers a specific fee. However, items that staff has implemented, and can continue to implement include but are not limited to:</p> <ol style="list-style-type: none"> <li>1) Great Mall Parkway: <ol style="list-style-type: none"> <li>a. In Summer 2024, the City repaved Great Mall Parkway from I880 to McCandless Drive which is designed for heavy truck traffic. This repaving met the appropriate design criteria for an arterial street with heavy truck traffic and staff thoroughly inspected the work upon completion.</li> <li>b. Staff is in the process of applying for a grant to repave Great Mall Parkway from McCandless Drive to Montague Expressway. When this project is completed, it will follow the same design and inspection standards as discussed above.</li> </ol> </li> <li>2) Truck Haul Routes: <ol style="list-style-type: none"> <li>a. The City has set predetermined truck routes to allow safe passage for heavier loads throughout the City. Staff can review the haul routes being used by the car transporter</li> </ol> </li> </ol> |                                    |                   |  |

## City Council Referral

(requires more than 4 hours of staff time)

trucks to confirm that they are following the City Engineer pre-approved haul routes, which were built to withstand truck traffic.

3) Union Pacific Railroad:

- a. Staff can discuss this situation with Union Pacific Railroad to see if there are any short or long term collaborations where Union Pacific Railroad can assist directly or indirectly with funding for roadway repair near their yard.

### Status Update

As mentioned above, staff has repaved a portion of Great Mall Parkway to appropriate design standards and will ensure that future repaving projects follow these same standards. Additionally, staff will confirm that the truck haul routes are appropriately being used by the car transporters and follow up with Union Pacific Railroad to explore future partnerships.

### Council Clarification/Further Direction Requested

If this priority proceeds, staff would like to confirm that the Mayor and City Council are supportive of the focus being on Great Mall Parkway design, truck haul route review and coordination with Union Pacific Railroad. Alternatively, staff could continue to review potential methods of charging truck haulers directly but there does not appear to be a viable alternative to this at this time.

### Other Considerations

none

| Description of Required Work Effort                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |                                          |                                                                        |
| <p><b>Background</b></p> <p>The current business license tax revenue is approximately \$330,000 annually for approximately 5,900 active business license accounts, which is approximately \$60 of business license tax per account per year. The current business license tax structure includes various categories wherein the basic annual rate is predominately \$35 per year and then \$1 or \$5 per employee.</p> <p>The Milpitas business license tax may be modernized with a gross receipt tax structure and/or square footage tax structure. In late 2023, with the help of a consultant, HdL &amp; Company, the City derived several conservative estimates. Under a business license gross receipts tax structure, the estimated business license tax revenue is between \$2 million and \$3 million annually or about \$360 per account per year. These are rough estimates as gross receipts are not generally available to City staff. Under a business license square footage tax structure, businesses would be taxed based upon occupied square footage. The property tax data indicates approximately 15.5 million square feet of non-residential property on the tax rolls. From previous experience, to be conservative, 60% is estimated to be taxable square footage. So, the City could have approximately 9.3 million non-residential square footage. At an annual rate of \$0.10 per square foot, a business license tax may generate approximately \$900,000 annually.</p> <p><b>Recommended Next Steps</b></p> <p>If the City Council provides direction for a business tax revenue measure, expected next steps would be as follows:</p> <ul style="list-style-type: none"><li>1) Refresh the late 2023 analysis with potential options and alternative scenarios for the business tax increase</li><li>2) Present this refreshed analysis to the City Council in Spring or late Summer 2025 and receive city council direction;</li></ul> |                                          |                                                                        |

## City Council Referral

(requires more than 4 hours of staff time)

- 3) Pending City Council direction, (1) conduct a statistically valid community poll; (2) engage a ballot measure communications consultant.

The expected costs of proceeding with a ballot measure are as follows. It should be noted that this includes the total costs assuming the City Council votes to place this measure on the November 2026 ballot. If the City Council determines not to place this measure on the ballot then only a portion of these costs would be incurred:

- 1) Ballot Measure survey: \$40,000
- 2) Communications consultant and associated education materials: \$135,000
- 3) Santa Clara County charge for placing measure on ballot: \$89,000

The potential total costs listed above are \$264,000 in one time costs.

### Status Update

No staff work is being performed on this at this time.

### Council Clarification/Further Direction Requested

If direction on this is received, staff would like clarification regarding whether a potential business tax measure would be targeted for the November 2026 ballot or an earlier ballot. If earlier, the costs could dramatically increase unless there is already an election in place.

### Other Considerations

None at this time

| Description of Required Work Effort                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |                                                                                                                                        |                       |
| <p>At the 10/1/2024 City Council meeting, Mayor Montano requested staff to investigate if the Edsel Drive and Roswell Drive intersection can be converted from a two-way into a four-way STOP controlled intersection. Staff will have to evaluate if the request is warranted according to the guidelines set forth in the U.S. Department of Transportation Federal Highway Administration Manual on Uniform Traffic Devices for Streets and Highways which informs how the City adopts engineering standards for traffic safety. A number of factors are taken into account to determine if a multi-way STOP sign is appropriate for an intersection which include, but are not limited to: traffic volume, accident history, traffic patterns, pedestrian activity, sight distance and site conditions.</p> <p>A summary of the activities that will need to be performed as part of this task include:</p> <ol style="list-style-type: none"> <li>1. City staff will conduct a traffic warrant evaluation for converting the two-way stop-controlled intersection to a four-way stop controlled intersection.</li> <li>2. Staff will conduct the multi-way stop warrant analysis based on Section 2B.07 Guidance Criteria of the California Manual on Uniform Traffic Control Devices (MUTCD) 2014 standards.</li> <li>3. Traffic counts for vehicle, bike, and pedestrian volumes will be collected by consultant and evaluated by staff.</li> <li>4. A speed survey will be performed in order to obtain the 85<sup>th</sup> percentile approach speed along the major street.</li> </ol> <p>Once all the data has been collected and the site assessments have been completed, staff will complete the evaluation and provide a recommendation based on the findings.</p> |                                                                                                                                        |                       |
| Status Update                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |                                                                                                                                        |                       |

| <p>At the October 15, 2024, City Council meeting, the Council voted to include this item for future City Council prioritization. The request is for a feasibility study for pickleball courts at Dixon Landing Park. Dixon Landing Park is an 11.4 -acre park. Focused on sports, the park hosts four ball fields (softball and baseball), three tennis courts, recreational cricket pitch, snack shack and restrooms, basketball court, playground, and picnic areas. A feasibility study on Pickleball courts at this site would evaluate the practicality of dedicated pickleball courts at the park including by not limited to suitable location, parking, impacts to the current amenity uses, potential costs, and necessary amenities to support new or changing amenities, to determine the viability of this project.</p> |                                                           |                       |

| 122                                                              | Staff to look into creating “Welcome to Milpitas” signs in key areas of in the City                                                  | Montano   | 4/6/2021   | 8/09/2021 Council voted 5-0 to move this item forward and Council provided direction that the signs should align with the efforts currently underway with the Metro Plan and Main Street Gateway Specific Plan process and work with private development. Staff was directed to work with Vice Mayor on additional clarification. In November, Vice Mayor Montano noted a preference for a location on South Main Street. This project will be added to unfunded project list of the 2023-2027 CIP to allow time for staff to research potential grant funding and outreach to local business and service clubs. |
| 123                                                              | Staff to look into creating a rose garden with a children’s memorial site                                                            | Montano   | 4/6/2021   | 8/09/2021 Council voted 4-1 to discuss details with Vice Mayor Montano and refer this item as part of the development of the 2023-2027 CIP; The funding for this project will be included in the 2023-2027 Capital Improvement Program scheduled for adoption on May 3, 2022. Discussed at the May 3 meeting funding was reallocated to the Softball Field project                                                                                                                                                                                                                                               |

| 163                                                              | Explore the policy for locking mechanisms on shopping carts for large commercial businesses                                                  | Tran    | 4/19/2022 | <b>November 2023 update:</b> Given the challenges and potential expenses of requiring existing owners to install locking mechanisms, staff is recommending closing this item and focusing efforts on (1) the City of Milpitas Cart Retrieval Program and (2) requiring new developments to install locking mechanisms.                                                                                                                                                         |
| 164                                                              | Requested an appropriation in an amount not to exceed \$250,000 to procure a contract to address the streetlights that are pending fieldwork | Tran    | 2/1/2022  | <b>November 2023 update:</b> This item is being recommened to be closed as, at this time, staff has sufficient Council approved resources to address the remaining streetlight outages; however, will bring relevant actions for Council consideration, if needed.                                                                                                                                                                                                             |
| 165                                                              | Review of commissioner's ability to release funds (New Item)                                                                                 | Chua    | 9/5/2023  | On September 19, 2023, Agenda Item C17, the Mayor and City Council approved a change to the Workplan for the Arts Commission. With this change, the authority to approve Milpitas Arts and Culture In-Kind Grants is no longer delegated to the Arts Commission. The City Council will now be the final approval for this grant program.                                                                                                                                       |
| 166                                                              | Request for Crossing Guards at McCandless and Montague Expressway and review wages for Crossing Guards                                       | Montano | 4/5/2022  | <b>November 2023 update:</b> This item is completed. In August 2023, the City of Milpitas transitioned management of the crossing guard program to ACMS. The intersection of McCandless and Montague Expressway was included in the list of sites to be staffed as recommended by Council and the November 2022 Traffic Survey.                                                                                                                                                |
| 167                                                              | Info memo on lessons learned from Maui Fire (New Item)                                                                                       | Chua    | 8/15/2023 | On September 5, 2023, the Fire Department issued an informational memorandum on this topic.                                                                                                                                                                                                                                                                                                                                                                                    |

| 196                                                              | Workshop for retailers focusing on best practices and safety with plans for quarterly sessions (completed)                  | Chua       | 1/23/2024 | <b>June 2024 Update:</b> This item is completed. On March 22nd, the police department held a community forum at the Seasons Market Place (Seafood City) in cooperation with the Santa Clara County District Attorney's Office to discuss crime trends and organized retail theft. This event cost approximately \$800 to host and consumed significant police department resources and staff time to complete. Future event of this magnitude would require funding. Due to staffing constraints, it is recommended that future forums be reduced in size and provided at the request of the business community. When staffing within the police department improves, the police department will evaluate hosting additional events on a more regular basis. |

On September 3, 2024 the Mayor and City Council adopted an ordinance prepared by the City Attorney's Office.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| 204                                                              | Community Advisory Commission: Change focus to housing                                                                                          | Chua       | 4/2/2024  | <b>September 2024 Update:</b> This item is completed. On August 13, 2024 the Mayor and City Council approved changing the name of the Community Advisory Commission to the Community Housing Commission.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| 205                                                              | Explore possibility of naming the County library on Main Street                                                                                 | Phan       | 1/23/2024 | <b>September 2024 Update:</b> This item is compeleted. On September 3, 2024, the Mayor and City Council adopted the name "Milpitas Jose Esteves Library". However, the funding and installation of the sign on the exterior of the buiding will be tracked as a separate item moving forward.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| 206                                                              | Staff to complete analysis if, working with the County, it would be beneficial to have a location where residents can pickup Narcan (completed) | Chua       | 9/5/2023  | <b>September 2024 Update:</b> Based on current opioid OD statistical trends for Milpitas, staff is confident that there are adequate opportunites for members of the community to access Naloxone. These access points include a mail-in program for residents of Santa Clara County, sponsered by the Santa Clara County Opioid Prevention Project (SCCOOPP). Additionally, the County Public Health website lists several locations throughout the County that readily provide Naloxone to anybody, no questions asked. Lastly, the Milpitas Fire and Police Departments have taken a proactive approach to preventing Opioid ODs through the active deployment of Naloxone on all fire and police vehicles throughout the City. Without doubt, these actions have saved lives throughout the community. |
