1. Skate Park Design Review – Staff

Background: As part of the City of Milpitas' Capital Improvement Program (CIP), a Skate Park located at the Milpitas Sports Center is included as part of the Park Improvement projects. The project, as described in the CIP, primarily calls for hardscape skate structures, lighting, irrigation, landscaping, and amenities.

A community meeting with the Skate Park community was held on June 12, 2018, where they provided input and ideas to project consultant, Verde Design, Inc.

Recommendation: Review the Skate Park design concept and recommend for City Council final approval.

Background: As part of the City’s public art program and work plan, a piece of public art is planned for installation at Dixon Landing Park. Through the Arts Commission, artists have been commissioned and models built for public comment on two (2) possible art pieces. As part of the public art project process, this Commission is being asked to receive a report on the art pieces, community and park neighborhood voting results, and make a recommendation for consideration during final approval at a future City Council meeting.
